To have a girlfriend and spend my highschool life with her...

has always been my lifelong goal.

But, because of many obstacles, my goals have yet to come true. For example...

This is what happens in my everyday life as Lee Yoo Suk

1화 그들의 일상

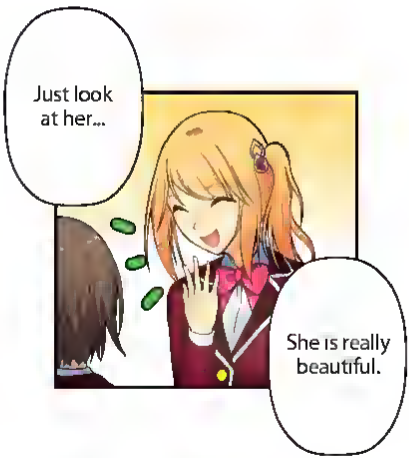
What a horrible start to the day
And it's all because of those rules that are in place.

Han Yura...

Speaking of horrible, there's also this guy.
Hey hey..., have you already done it with them?
Jo Yong Han, a really annoying guy whose also my friend.

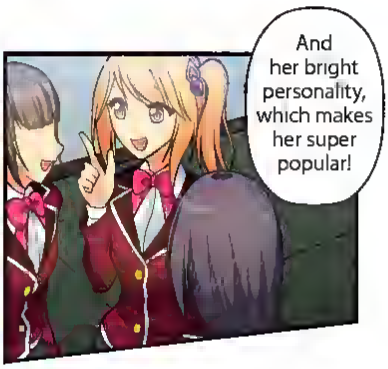
Please, just stop saying stupid stuff...

Don't be modest, you can tell your best friend~



Just look at her...
She is really beautiful.

She has the voice of an angel!



And her bright personality, which makes her super popular!

You've obviously spent a steamy night or two with her, haven't you?
Wait, why are your freaky delusions appearing?

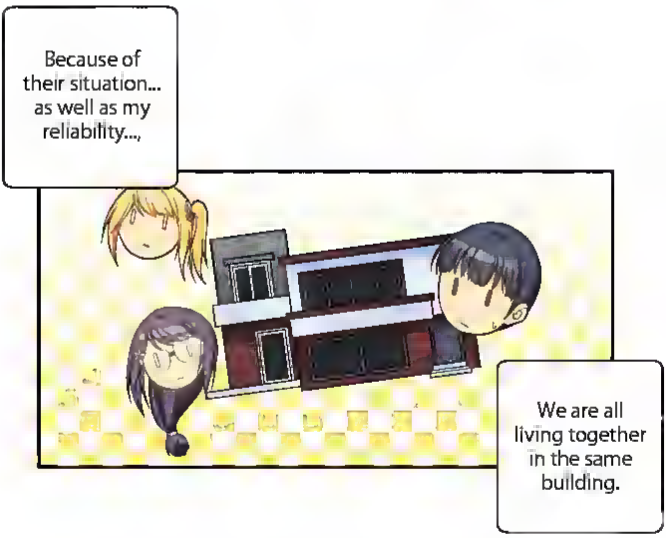
But then there is also her equally gorgeous sister Han Yuri to consider!

With her really huge boobs!

With her sexy adult appeal, no man could resist her!
LIKE I SAID, STOP WITH THOSE PERVERTED DELUSIONS!!

Please, just tell me the truth, reveal it all to your best friend!
I won't tell anyone else!
Seriously.. there are limits..

What a pain.

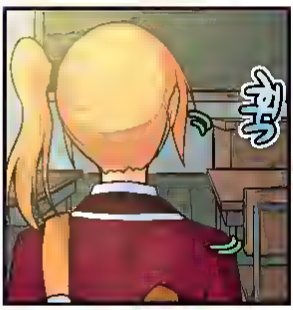


Because of their situation... as well as my reliability...,
We are all living together in the same building.

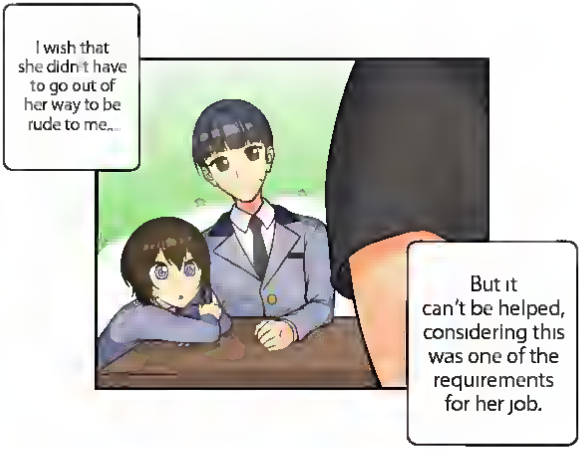
Ahah, that look on your face...
Is today the day you pick one of these sisters and rise to adulthood?
두근
Why do you want to know?

Hey!

We have a rehearsal today
Do not even think about being late



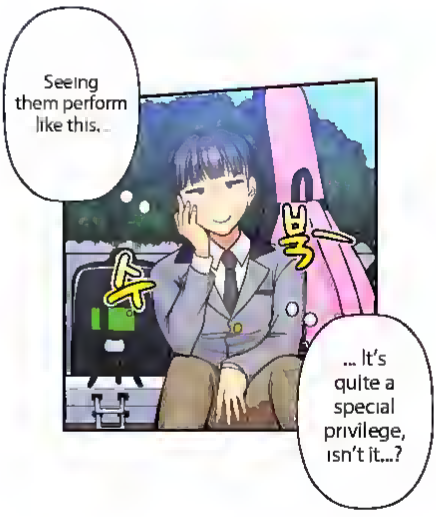
Woah..,
Is she trying to take her tsundere skills to the next level?
At least you stopped thinking lewd thoughts



I wish that she didn't have to go out of her way to be rude to me...
But it can't be helped, considering this was one of the requirements for her job.

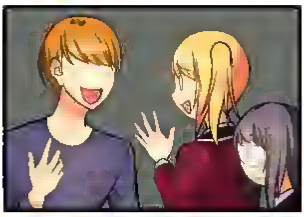
For many years, the sisters have been working very hard.
And their jobs are...

They are this country's top two idols...,
and their ratings are off the charts.



Seeing them perform like this...
... It's quite a special privilege, isn't it...?

..Eh?



Hey, get over here right now and save us!!

Sigh... Here I was hoping that the day would get better.

Well, due to their fame, I was in charge of them as their bodyguard.
Sir, you are not allowed to be here.
My "bodyguard" duties are somewhat weird

Get out of my way or I will hurt you motherfucker!!

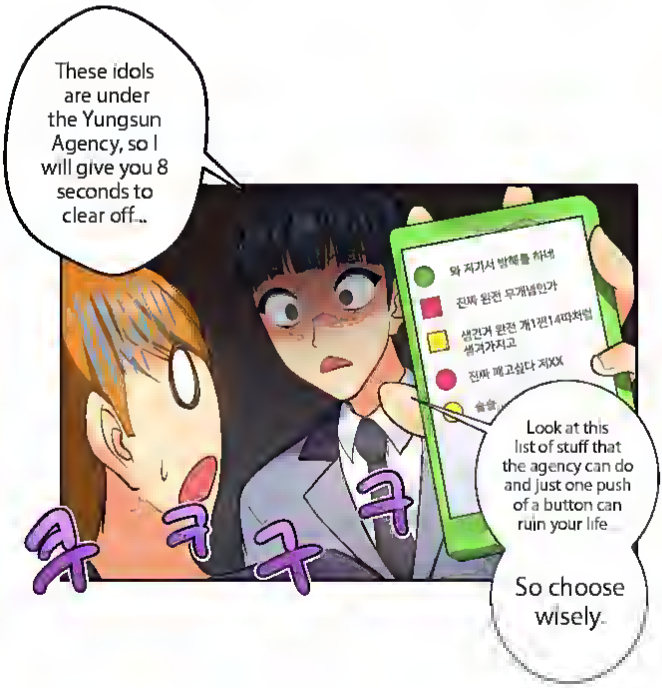
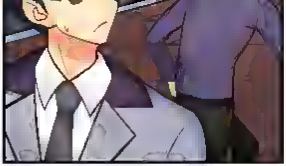
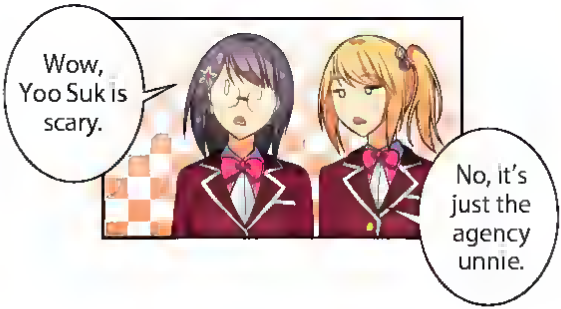
Well,
I tried
reasoning
with you.



These idols
are under
the Yungsun
Agency, so I
will give you 8
seconds to
clear off...
Look at this
list of stuff that
the agency can do
and just one push
of a button can
ruin your life.
So choose
wisely.

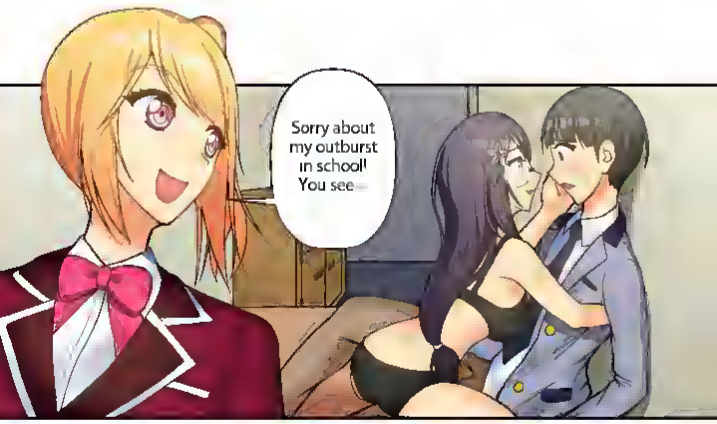




Wow, Yoo Suk is scary.
No, it's just the agency unnie.

I'm finally home!

Well~
Time to replenish on Yoo Suk nutrients



Sorry about my outburst in school! You see—

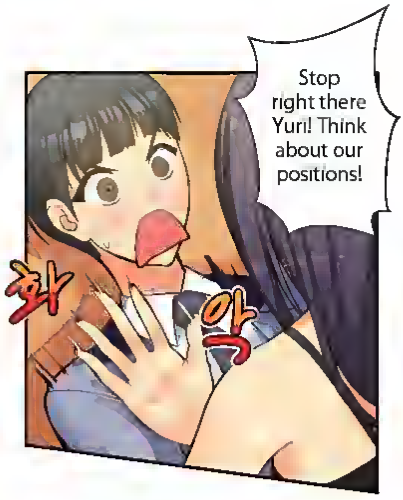
Stop nght there, unnie! You can't do that here!!

Well, you know....

It can't be helped, since I spent all day without being able to get Yoo Suk nutrients...
So he needs to atone for his sins.
WAIT, WHY AM I AT FAULT!?



Stop right there Yuri! Think about our positions!

To think you finally started to appreciate my charms. .
Since when were you this forward with me?
No, I'm not! It was all just an accident...!!

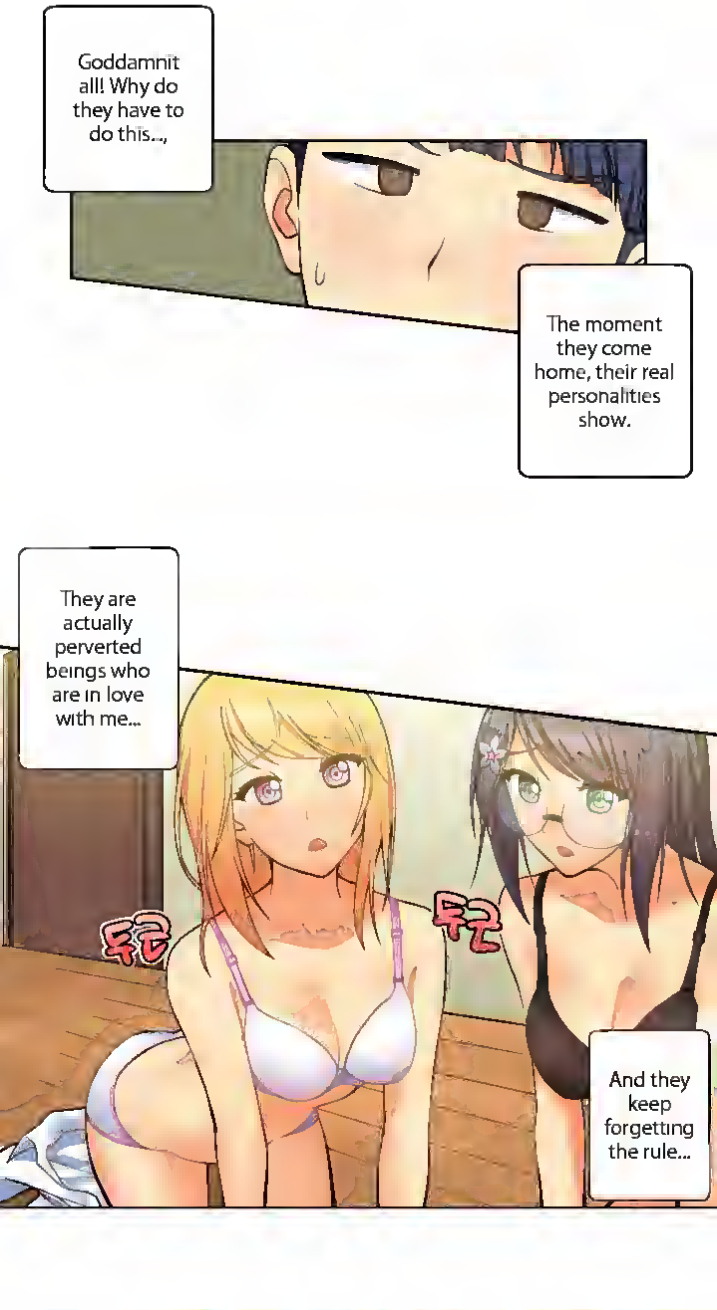
I really am sorry...,
So forgive me and give me the same attention as unnie...
Don't encourage her Yura, and remember your position!



Goddamnit all! Why do they have to do this...,
The moment they come home, their real personalities show.
They are actually perverted beings who are in love with me...
두근

And they keep forgetting the rule...

You can't do this to me!
It's against the Yungsun policy!
쿠구구구구

파앗!

Aiyaa...!
It's no use. Guess I have to do this!
킬끈!

Forgive me but I am leaving!!
Wh, what?!

Don't go!
파아아앗!

쿵!

Why am I even like this...
At this rate, my goal to have a highschool girlfriend may be over.

But still....

They both like me...,
So sooner or later, I will have to choose between the two of them, won't I...?

Our troubled protagonist who lives on a razor's edge!
